

MONTANA SMALL SCHOOLS ALLIANCE

2020 - 2021 WORKSHOP DATES AND SITES (4/30/2020)

All times are as follows:

8:30 a.m. - registration. Workshops begin at 9:00 a.m. and are completed by 4 p.m. A one hour lunch is provided. Renewal units and graduate credits are available. Consortium conferences reimburse mileage for one vehicle per district. Standards and MAP workshops do not reimburse mileage or per diem.

All sites are tentative and may become "virtual". MSSA will inform members if that arises as the best option.

The MSSA is also working on an additional conference for late July. It will be "virtual" and focused on returning to school in the fall with uncertain conditions. During the year there will be a planned follow-up to that July conference. "Beyond The Chalk" has been asked to prepare a presentation plan for MSSA to review.

Next year's schedule tentatively includes Craig Falcon (IEFA), Ann Ellsworth (Writing Literacy), Michelle McCarthy (NGSS-Science Standards), Beyond The Chalk (follow-up July, online education). The order of those conferences is currently being worked on.
