

## **MSSA September Workshop Agenda/Description**

### **Description:**

In light of the very dynamic education climate, this presentation is targeted at best practices for remote learning and teaching, as well as presenting technology tools that support teachers who will or may be teaching remotely.

### **Process:**

Since this a unique situation, and a relatively new experience attending PD online, the following will be the expectations for attendees requesting OPI renewal units:

- All attendees will be expected to check in and participate in the opening session, Best Practices in Remote Teaching and Learning.
- Attendees will then select at least two of the other offered sessions.
  - Deep Dive into Google Classroom
  - Tech Tools To Engage All Learners-Choice Boards and Playlists
  - Deep Dive into SeeSaw
- Mandatory check in at 3:15 for closing conversations and learning reflection.
